PENSION CONSULTANCY

## Workshop Trends in International Pensions for HR

INSIGHT BEYOND TECHNICALITIES

## Corporate pensions highly dynamic

---

The last decade international corporate pensions have seen many changes. Even more changes are expected.

Due to the historically low interest rate many corporate pensions faced a steep premium increase. Because of the increased life expectancy many employees face a higher pension age.

As international HR benefits from a clear overview of the recent and expected developments, we will address these issues in our workshop.

## Regions

---

We will focus on the developments in the following regions:

- Europe: EU/Germany/France/Italy/UK and Brexit
- America: USA/Mexico/Brazil/Argentina
- Asia: China/Russia/Japan/India
- Asia Pacific: Singapore/Indonesia
- Africa: South Africa
- Australia: Australia/New Zealand

## Topics

---

- (Changes in) nature of corporate pensions
- New possibilities for multi national pension plans
- Substantial changes in governmental pension plans

## Workshop details

---

- The workshop is intercompany so no time is lost on travel
- The workshop will take in general 3 hours depending on the existing knowledge
- At the end of the workshop each participant receives the used material
- The price is exclusive VAT € 375,-per participant with a minimum of € 1.125,-

## Special requests

---

In case you might have any questions or special requests regarding the content of the workshop, please feel free to contact us.

## Sign in

---

In case your company would like to book the workshop, please send us an e-mail stating:

- company name
- name of the HR employee for further contact
- preferred date, time and location
- number of participants
- possible other preferences

## International experience and Network

---

We have more than 20 years of experience in international expat and collective pension consultancy. Thus we have an elaborate international network. If so desired, we can advise and act swiftly in international matters.
